## OUR MISSION

The Mission of the Parish is to be a Catholic, multicultural community of faith, called to witness and proclaim, to celebrate and share the Hope and Charity we have in Jesus Christ as exemplified by St. Josephine Bakhita, our "Universal Sister" and "Model of Hope for the Twenty-first century". We are a people who weave together this neighbourhood as:

- A community of faith, committed to live the Greatest Love of Jesus Christ Crucified, and Mary, Mother of Charity at the foot of the Cross.
- A community of prayer, nourished by the Word of God, the Eucharist, and the traditions of the Church, reflected in the way we live and celebrate.
- A community that welcomes every man and woman, child and youth, to equal discipleship.
- A community that is missionary, open to the needs of the world, committed to the promotion of justice, peace, and the stewardship of creation.
- A community that is not afraid to face its pain and yet deeply trust "in the hope that saves."

We believe that each one is called to be the strand that God will use to weave a tapestry that is intricate and exquisite in this place.

**Hurricane Dorian – Humanitarian Relief**

Last week, Hurricane Dorian devastated the Caribbean nation of the Bahamas, and caused significant damage in Nova Scotia and along the Atlantic coast of the United States. The hurricane moved excruciatingly slowly across the Bahamian island of Abaco, leaving most buildings and infrastructure destroyed. More than 70,000 people in the Bahamas are expected to need emergency assistance, including food, shelter, electricity and safe drinking water. A still unknown number of people are missing and at least 50 people dead — a number that is expected to rise quickly over the coming weeks as more bodies are recovered. In an effort to support those have been most directly impacted by Hurricane Dorian, the Archdiocese of Toronto is accepting funds that will be sent through our Catholic relief partners. Contributions can be made

through our parishes and through the Archdiocese of Toronto online portal at [www.archtoronto.org](http://www.archtoronto.org).

**Those wishing to help may do so in the following ways:** • Online through the Archdiocese of Toronto website: [www.archtoronto.org](http://www.archtoronto.org) • By phone through the Development Office – 416-934-3411 • Through the parish, making cheques payable to: Name of Parish – 2019 Hurricane Dorian – Disaster Relief. Please use the envelope marked Humanitarian Relief. Thank you.

It is not very often that we are presented with a feminine image of God in the Gospels. The story about a woman who lost a coin and because money was so hard to come by, she scours her home in attempt to find it, and when she does find it, she tells all her friends and asks them to party with her.

If the woman in the story represents God, God is hereby presented as the one who does the searching. It wasn't up to the coin to make things right. It was God. No matter, therefore, what we have done, God wants us back, no strings attached! And when we

realize it, when we repent – turn around and look at our lives and our relationship with God, when we see God coming – God rejoices and invites us to the party in the kingdom!

How wonderful this is. This is really the Good News! In fact, this is Great News!

**HUMAN DIGNITY FROM THE BEGINNING TO THE END OF LIFE**

As Catholics, we believe that the life and dignity of every person must be respected and protected at every stage and in every condition. Life itself is the first and most basic human right. We want to elect governments that actively work to shape a world where human life receives full respect

at all stages and that show their commitment to justice and peace. That means electing governments that will abide by the freedoms of conscience and religion found in the Canadian Charter of Rights and Freedoms. The Charter is intended to protect all of us as citizens from being coerced or intimidated into taking action that goes against our conscience and our faith.

Ask yourself: Who has a plan to protect the conscience rights of medical professionals who reject physician-assisted suicide and cannot perform or refer the procedure? • How can the Canadian government make palliative care accessible to all who need it?
